

SECOND ANNUAL
Norton Reservoir
Clean Up Day

SUNDAY, SEPT. 11

**Please pitch in and help us
keep our scenic reservoir clean!**

Business owners located around the Reservoir are encouraged to re-adopt their own shorelines and open up their dumpsters to volunteers.

Other local businesses, community organizations, boat owners, fishermen and residents of Norton can pitch in by cleaning up the common areas of shoreline. Areas of concern are the many islands, the Route 140 shoreline and the land around the dam on Reservoir Street.

Norton Kayak Company will provide free clean up tours all day to volunteers who wish to help pick up the islands and secluded shorelines of the Reservoir.

Trash bags will be provided for those who participate.

**If you'd like to help out, or for more information, contact Norton Kayak Co. at
508-740-7728 | info@nortonkayakco.com**
